INTRODUCTION

The Office of Career Services and Cooperative Education has, for the past 45 years, conducted annual surveys of the college's graduates one year after graduation. Data is summarized here for the Class of 2015. Of the 1181 individuals who received degrees and/or certificates in August 2014, January 2015 or June 2015, information was obtained for 836, or 71%.

REPORT HIGHLIGHTS

Overall

- 71% of respondents were enrolled or have earned additional degrees.
- 36% were employed in jobs related to their CCM majors.
- 79% described their CCM experience as "excellent," 20% as "good," and 1% as "fair."

Transfer Programs

- 80% of respondents were enrolled or have earned additional degrees.
- 74% attended public NJ institutions, 11% attended private NJ institutions, and 13% enrolled in institutions out of state. (2% unknown).
- 78% said that their preparation for further education was "excellent," 20% said "good," and 1% said "fair," and 1% said "poor."

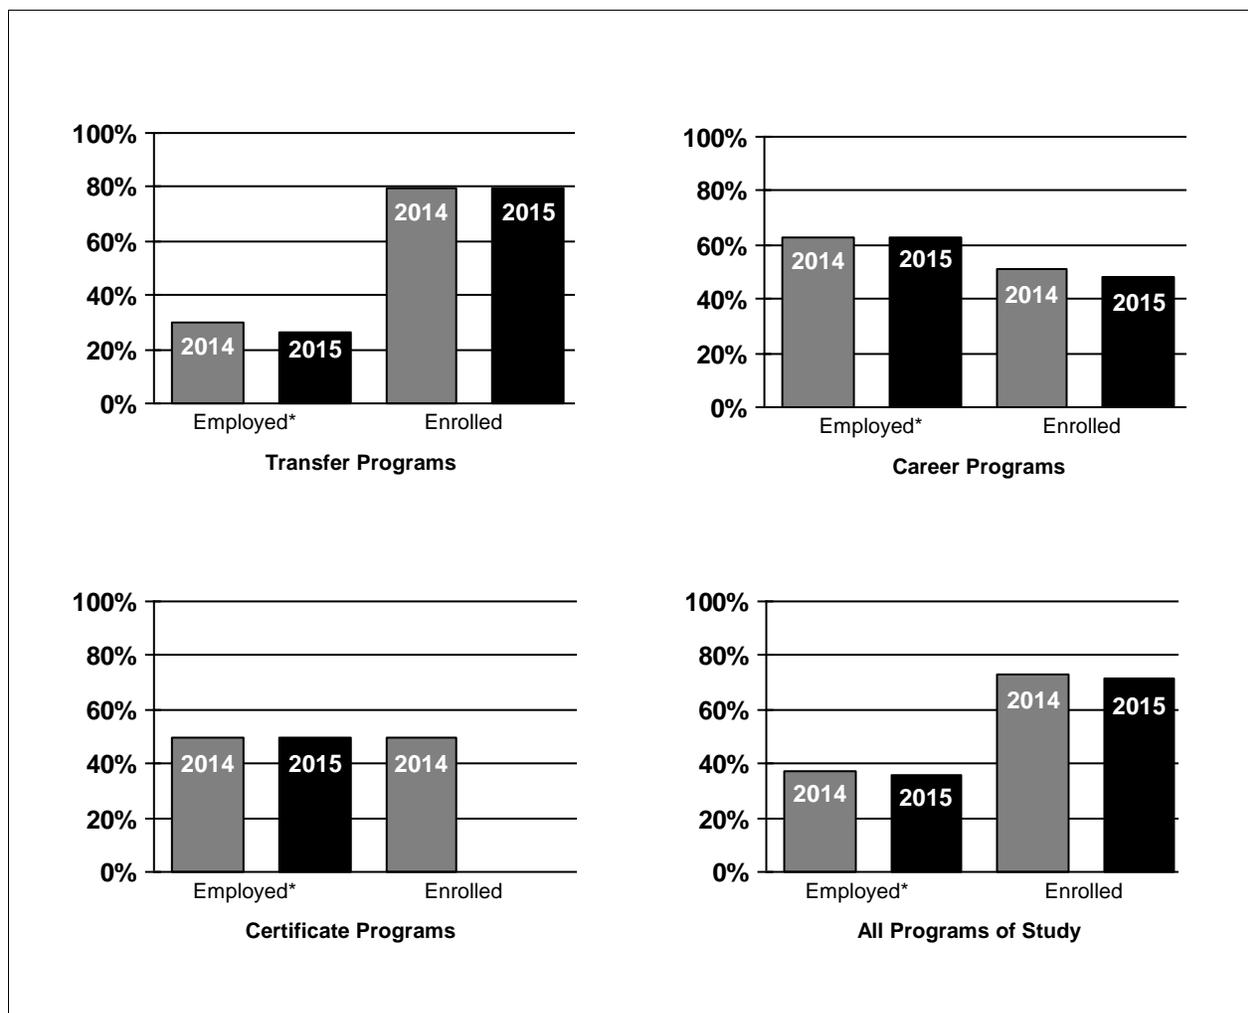

Career and Certificate Programs

- 62% of respondents were employed in jobs related to their CCM majors.
- 86% said that their preparation for work was "excellent" and 12% said it was "good," and 2% "poor."
